

Harrison Street Bridge at I-90/94 (Jane Byrne Interchange)

Reason for Detour: The Harrison Street Bridge over I-90/94 will be closed for reconstruction.

Estimated date the detour will begin and end: Harrison Street “West” Bridge was closed beginning March 3, 2014, and is anticipated to be completed by early Fall, 2014. However, Harrison Street will remain closed until the “East” Bridge (over Northbound I-90/94) is completed under a separate Contract.
